

## Canton Fair - About the venues

### Pazhou Complex

The Pazhou Complex was opened in 2002 and it is located in Pazhou island, the southern part of Guangzhou. It is now one of the venues for the China Export Commodities Fair (or "Canton Fair").

The Pazhou Complex has 16 indoor exhibition halls on the first and the second floors and can be cover up to 10,200 exhibition spaces. It has an indoor exhibition area of 160,000 sqm and an outdoor exhibition area of 22,000sqm.

### Lihua Complex

The Lihua Complex has an indoor exhibition area of 120,000sqm, and the venue is famous for holding the Canton Fair each year.

Lihua Complex is no longer used for Canton Fair venue since 104th Spring session. All the phases are held in Pazhou Complex for both Spring and Autumn sessions.
